NEW MODEL DEVELOP

We may need to do new development. When:

1: You don't find the gauge model on our list. That means we have not developed that model. You can tell us what that model is.

We are always willing to develop new models. However, we may not be able to get the gauge instrument for art design then we will need your help to provide us the gauge instrument.

2: You do not like the design we currently have made.

We now have BG, RW, RS, RRW-A, RRW-B, RS and wish to design it yourself, please send the art design or description to us your idea. G and FLAME 7 design. If you do not like any of them

gauge instrument we need for art design
